

**PRIVATE DAY TRIP TO
LAKE MANYARA NATIONAL PARK**

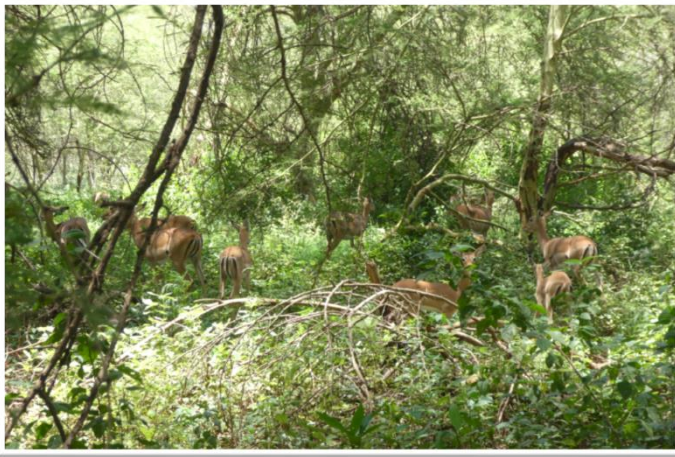

EXPLORE “the bird watchers paradise”
DISCOVER the different habitats of many animal species along the lake shore
ENJOY the walk on the long jetty that leads over the landscape soaked with hot water in the ‘Majimoto area’.

Lake Manyara NP is an outstanding landmark nestling at the base of the Great Rift Valley escarpment. The park contains diverse range of habitats and topographical features, ranging from ground water forest, acacia woodlands and open grasslands to the shores of Lake Manyara and the soda lake itself.

The park is noted for its numerous buffalos, elephants, giraffes, impalas, hippos and provides sanctuary to a great variety of smaller animals. A famous spectacle in the park are the tree climbing lions.

We depart Arusha from your hotel at 7:30 after breakfast and drive 126 km to Lake Manyara NP with our Lunch box.

We leave the car at the Hippo pool for a short walk.

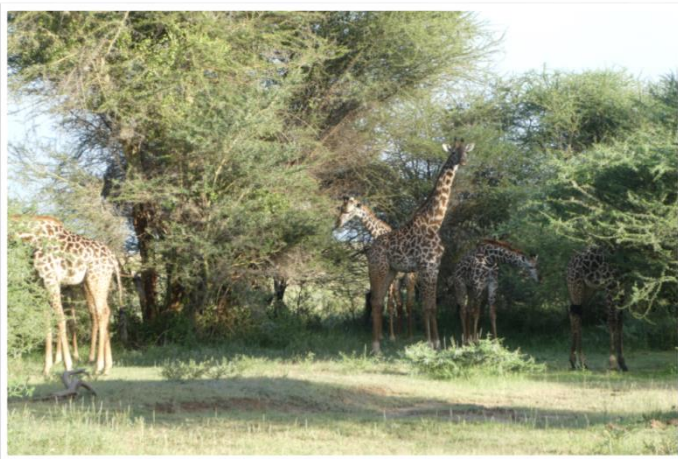

Lunch is served at Msasa Picnic site which affords fabulous views of the lake.

After lunch we'll continue with game viewing in the park searching for the diverse flora and fauna of the park. Over 350 species of birds can be viewed.

We will park the car at the hot springs Maji Moto Kubwa at the south end of the park. After we enjoyed the view we head back the same way to the gate.

Late In the afternoon we drive back to Arusha and end the trip at your hotel.
